

Ponlok Chomnes' Events

The Asia Foundation and the Centre for Policy Studies co-organized a virtual workshop on "Revisiting the Pandemic: Rapid survey on the impact of COVID-19 on MSMEs in the tourism sector in Cambodia" to discuss the results of a combined report and recommendations on July 16, 2021.

Another virtual policy talk on "Schoolbased Mentoring" was conducted by The Asia Foundation in collaboration with Kampuchean Action to Promote Education (KAPE) and The New Generation Pedagogical Research Center (NGPRC) on August 18, 2021 to discuss the challenges of teacher education and the potential contribution of mentoring to the improvement of the Cambodian school system.

In collaboration with the Affiliated Network for Social Accountability (ANSA) Cambodia, The Asia Foundation organized a virtual policy talk on "Social inclusion in the local planning process and emerging opportunities for new social media uses" on September 23, 2021. Participants discussed critical socioeconomic and policy trends around social inclusion at the local level and assess the actual practice within the current local planning process.

Policy Pulse is an initiative of The Asia Foundation, founded in 2015 and formerly known as the Reform Inventory Initiative. It aims to improve the public's understanding of important policy reforms in Cambodia through high-quality research. Policy Pulse promotes thoughtful and inclusive policy dialogue and analysis in order to establish a resource for evidence-based policy recommendations. It is a platform through which researchers and stakeholders can gather to organize policy forums at the national and provincial levels to disseminate research and facilitate broad policy discussions.

The Policy Pulse Newsletter is a new medium to share updates with the public regarding recent policy developments in Cambodia.
