Policy Pulse is an initiative of The Asia Foundation, founded in 2015 and formerly known as the Reform Inventory Initiative. It aims to improve the public's understanding of important policy reforms in Cambodia through high-quality research. Policy Pulse promotes thoughtful and inclusive policy dialogue and analysis in order to establish a resource for evidence-based policy recommendations. It is a platform through which researchers and stakeholders can gather to organize policy forums at the national and provincial levels to disseminate research and facilitate broad policy discussions.

The Policy Pulse Newsletter is a new medium to share updates with the public regarding recent policy developments in Cambodia.
